\*You may also acquire INLEXZO™ through your entity-owned specialty pharmacy.

Once you have made the clinical decision to prescribe INLEXZO™, Johnson & Johnson has resources to help you support your patients.

**Get started with J&J withMe for access support**

Visit [JNJwithMe.com/hcp/](https://www.jnjwithme.com/hcp/) for access and affordability information for the J&J medicine you prescribed.

The patient support and resources provided by J&J withMe are not intended to provide medical advice, replace a treatment plan from the patient's doctor or nurse, provide case management services, or serve as a reason to prescribe INLEXZO™.

Please read full [Prescribing Information](#) and [Instructions for Use](#) for INLEXZO™.
